

Great Decisions Series Presented by the Woman's Club of Raleigh

"Prepare to Discuss the World"

Great Decisions is America's largest discussion program on world affairs.

The grassroots, face-to-face model adopted more than 60 years ago continues today, with tens of thousands of participants taking part in discussions nationwide annually. Initiated by the Foreign Policy Association, citizens are introduced to impartial and thought-provoking analyses on issues of the most critical global importance facing America today.

After the three-year pandemic, The Woman's Club of Raleigh is indeed pleased to RESUME our FREE offering of the Great Decisions series. Join us at our clubhouse for weekly discussions, which will begin with a video presentation on that week's topic followed by information sharing and discussion led by a speaker well-informed on the topic.

This discussion series is free and open to the public.
